The screenshot shows the Cresco website interface. At the top, there is a navigation bar with the Cresco logo, 'Access' sub-brand, and a search icon. Below the navigation bar, a banner highlights the credit card's features: 'Handlekortet du kan bruke overalt' (The credit card you can use everywhere). The features listed are: 'Kredittkortet med inntil 9 mnd betalingsutsettelse' (Credit card with up to 9 months payment deferral), 'Ingen årsavgift' (No annual fee), 'Gebyrfri vaskjegg' (Fee-free cardholder service), and 'Inntil 75 000 kroner i kreditt' (Up to 75,000 NOK in credit). A blue button says 'Søk om Cresco Access her' (Search for Cresco Access here). To the right, there is an image of a woman holding a shopping bag and a Cresco Access credit card. The card is blue and white with the Mastercard logo and the number 5280 1234 5678 9012. Below the banner, there are four sections with icons and text: 'Hva koster kortet?' (How much does the card cost?), 'Hvorfor velge dette kortet?' (Why choose this card?), 'Betalingsutsettelse' (Payment deferral), and 'Søk for du handler' (Search for you shop). At the bottom, there is a section for 'Se alle rabatter' (See all discounts) with images of a polar bear and a building.
